SPONSORSHIP OPPORTUNITIES

NORWICH<sup>™</sup>  
UNIVERSITY

## NU Women Kicking Glass

2024 marks the 50th anniversary of a significant milestone in Norwich University's history: the first women to live on the Northfield campus and the first in the NU Corps of Cadets—a full two years before to the federal service academies. Throughout the year we will recognize trailblazing women, alumnae accomplishments, and significant Norwich 'firsts.'

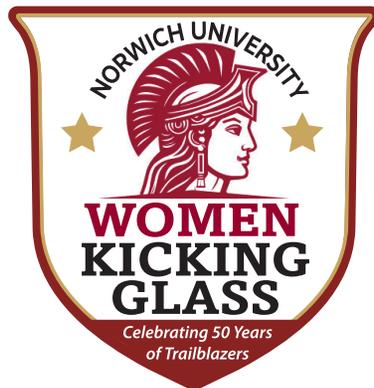

In other words, **NU Women Kicking Glass**.

In addition to honoring women of the past, our goal is to fund the Women Kicking Glass Scholarship to help current and future generations of deserving women attend Norwich University.

### About Norwich University:

Founded in 1819 and located in Northfield, VT, Norwich University is the nation's oldest private military university, offering a traditional undergraduate experience or as members of the Corps of Cadets. For over 200 years, Norwich has been developing leaders who excel in a variety of fields. With an emphasis on experiential learning and a "service before self" ethos, Norwich students pursue hands-on opportunities that benefit society and translate to in-demand professional skills.
