Each year, NU Clubs across the country host Student Sendoffs for incoming first-years, transfers, and returning students and their parents. Ranging from backyard barbecues to gatherings in state parks or restaurants, these social gatherings are a great opportunity to meet others in your area, offer advice and welcome students and their families to the Norwich family. Most will be in-person events plus we have three virtual sendoffs on the calendar.

Growing Military Tensions in South China Sea Microcertificate

Both the U.S. and China face the complexities of the economic, geopolitical, and military arenas that impact their relationship today. Through this two part microcertificate series on June 7 and June 14, examine whether the current status quo will provide the flashpoints necessary to escalate kinetic warfare in the South China Sea.
