

BOARD OF TRUSTEES

The Board of Trustees at Norwich is an active group that serves not only as an overseer of the University, but also sets the policies that will steer and guide Norwich into the future. The Board of Trustees currently consists of 31 men and women, each of whom brings a unique life experience to the process. Trustees are both alumni and non-alumni; military, business, and educational leaders. Their experiences help them set the vision by which to form the military and civilian leaders of tomorrow.
