CAMPUS-WIDE NEWS AND UPDATES

Trash to Treasure Returns – with a twist!

Every year during the week of final exams, a team of dedicated student and community volunteers collect donated goods from the Corps barracks and Civilians' dorms as students decide what they will and will not bring home with them. Clothing, unopened food, unneeded books and school supplies, leftover cleaning supplies, gently-used sporting equipment, rugs, fans, and more are needed once again and so please ask your student to keep this in mind as they pack up prior to departing campus!

There will be signage in each residential building letting them know where to put their donations. This fall, when students return, they'll be able to shop for needed items at a deep discount at a welcome home/welcome back sales event under the tents. Questions, contact the Center for Civic Engagement at **4achange@norwich.edu** or 802-485-2670.
